

# UP2DATE

WINTER 2019

## Teaching Financial Success AT OUR LOCAL SCHOOLS

We were founded on the idea of "People Helping People," so giving back is the Credit Union Difference. And we love being able to give back to the communities we serve. One example of this philosophy in action is our Student-Run Branches in 5 Coppell ISD elementary schools. With the help of teachers and parent volunteers, students from multiple classes apply for and staff each of the five branches. The primary goal of these special branches is to help kids get in the habit of saving money. But through these branches, kids are also learning important counting and money management skills, too.

### Las Colinas Credit Union Student-Run Branches:

- Valley Ranch Elementary since 2004
- Austin Elementary since 2006
- Mockingbird Elementary since 2009
- Pinkerton Elementary since 2010
- Lee Elementary since 2014

### Snapshot of the Student-Run Branch totals for 2017-2018:

Students made **3,231 deposits**,  
total **deposits were \$38,699.48**  
with an average **deposit of \$11.98**
