Healthy savings habits start early and where better to begin than at school? The National Youth Savings Challenge takes place in April, and we are encouraging students to save by entering them in a drawing to receive an additional \$25 Savings Deposit when they make a deposit at a student-run branch. As an added bonus, the winning student's teacher will also receive a \$25 Visa® gift card.

The winner will be selected randomly from the entrants. While a deposit is encouraged, it is not mandatory to enter. Contact the Credit Union for more information.
